Dear Pradeepji

Congratulations on an excellent programme once again. I am sure everyone who was fortunate to attend "Mayotsav 2015" has gone home with renewed awe at the high standards of LAWRENCE & MAYO, not just academic achievements but also in various co-curricular activities.

I thank you for honouring me by inviting me as the Chief Guest for MAYOTSAV-2015. I enjoyed every moment of my time there and I cannot decide which performance was the best as one was better than the other. The positive energy and happy atmosphere was infectious and I appreciate the participation of all the students to create such an environment. The way the students in the audience were cheering those performing makes them as much a participant as those on stage. This is certainly due to your exemplary Leadership and the support of your team.

I commend you, your teachers and staff for the effort that has been put over the years to reach this point. You and all at Lawrence & Mayo have every right to feel very proud.

I wish that you and your school go ahead from strength to strength and I look forward to the day you are not just No.1 in Kota but much more.

With my best wishes, *and wishing you a very*

**HAPPY DIWALI**
